I'm Back! /Travel Poem

I'm back & I'm here
to travel with you!
I've missed you so much;
I was feeling blue.
It's great to be back &
see you again.
Can't wait to spend some
time with my friend!

Farewell Poem

Farewell!
I can't believe
it's time to go.
I packed all my bags;
I will miss you so!
Be sure to be good, &
be kind to your friends.
Until next year,
when we meet again!
